

Press Release: Basel, June 18, 2015 – for immediate release

Congrex Switzerland renews further contracts for important European medical and scientific congresses

A few days before their 1st congress in Berlin (June 20-23, 2015), the **European Academy of Neurology EAN** has extended their contract with Congrex Switzerland.

“Congrex Switzerland has already proven to be a leading Professional Conference Organiser (PCO) when managing the Joint Congress of EFNS/ENS last year in Istanbul”, says Prof Günther Deuschl, President of EAN and adds: “In the preparation of our first EAN congress in Berlin the new elected board and committees very much appreciated their professional advise with very short reaction times”.

“We are very happy that the EAN board feels how much we care about the needs of our clients in our day-to-day work and are already looking forward to the next years EAN Congress in Copenhagen” says Sabine Adam, Account Director.

Furthermore Congrex Switzerland has been granted a long-term contract until end of 2018 by the **European Sleep Research Society ESRS**. The ESRS Congress 2016 will take place in Bologna and the 2018 edition in Basel. Prof Philippe Peigneux, President of ESRS says: “We are very pleased to continue this cooperation with Congrex Switzerland and its team. We appreciate their hard work and dedication in the organisation of our ESRS conference”.

“We are very proud of these new contract renewals which prove that our clients feel the caring attitude of our team and appreciate our reliable services”, says Alain Pittet, Managing Director.
