Congrex Switzerland rejoins IAPCO

After the successful realignment of Congrex Switzerland in the past 12 months the International Association of Professional Congress Organisers (IAPCO) decided to resume Congrex Switzerland as a member. Michel Neijmann, President of IAPCO, said “We are delighted that Congrex Switzerland is joining IAPCO again. The company has 32 years of history and excellent references”.

“We are very proud to rejoin the IAPCO family and to share our knowledge and long term experiences with our colleagues. The IAPCO plays a major role in our industry and we would like to actively get involved in its future journey”, said Alain Pittet, Managing Director of Congrex Switzerland.
